JUMP ROPE FOR HEART JUMP OFF DAY AT MURRINGO PUBLIC SCHOOL

IMAGES: Heart Ambassador Luke Boon attended Murringo Public School's Jump Rope For Heart Jump Off Day.

Murringo Public School held their Jump Rope For Heart Jump Off Day last Friday, with a special guest joining them for the occasion.

Heart Foundation Ambassador Luke Boon as well as Coco from Mrs. Double Dutch, Japan attended the school's Jump Off Day.

Luke has 75 World Championship Skipping titles under his belt, after discovering

a love of skipping doing Jump Rope For Heart at school.

Coco is a Double Dutch World Champion.

Despite the clouds, there was plenty of skipping done by all with a variety of styles and tricks on display.

Thanks to the amazing efforts of everyone involved, Murringo Public School's

fundraiser has raised over \$1200 for the Heart Foundation. The school has skipped more than nine hours during their Jump Rope For Heart program.

Maimuru Public School also attended the day as they are commencing their Jump Rope For Heart Program in Term 3.

To donate to their fundraiser, please visit <https://www.jump rope.org.au/fundraisers/murringopublicschool-2026>

YOUNG HOSPITAL AUXILIARY LUNCHEON THIS SUNDAY

The Young Hospital Auxiliary will be holding their luncheon at the Young Golf Club this Sunday.

The guest speaker at the luncheon will be April Strong, who is the manager of the maternity department.

Young Hospital Auxiliary Publicity Officer Libby Plumley said, "The Auxiliary is very supportive of the maternity department and know how important it is to maintain this vital service."

"Women from Young and surrounding areas can give birth here and avoid having to travel away."

"Twelve babies were born at Young Hospital in May, including 3 caesarean procedures within a 24 hour period. A mighty effort."

The Auxiliary's raffle will also be drawn at the luncheon.

Tickets are available today (Thursday) with Auxiliary members selling them outside Bunnings in Young.

Tickets are \$5 and go towards the Auxil-

iary so they can support the hospital.

A recent purchase by the Auxiliary was treatment chairs for the oncology unit.

"Following the meeting, members were able to inspect the most recently purchased chair and IV stands in the oncology unit."

"The cost of the chair was over \$7,500 and allows users to relax comfortably while receiving treatment," said Libby.

The Auxiliary meets on the first Thursday of the month at 10.30am at the hospital.

New members always welcome.

BOOROWA News...

IMAGE: Steph Cooke MP, with President of the New South Wales Legislative Council Ben Franklin, and student leaders from the Cootamundra Electorate.

HILLTOPS STUDENTS HEAD TO NSW PARLIAMENT

Students from Boorowa Central School and Murrumburrah High School joined Member for Cootamundra Steph Cooke in NSW Parliament recently.

The students made the trip as part of the annual Secondary Schools Student Leadership Program.

Belle Riles and Mylee Taylor from Boorowa Central School and Jayden Steele and Lillian Dare from Murrumburrah High School travelled to Sydney as part of the program which gives student leaders the opportunity to meet elected representatives and engage directly with the state's decision-makers.

The program is delivered jointly by the NSW Parliament's Education and Engagement team and Government House.

Students from across the region attended.

Attending from surrounding schools were Angus Donald and Samantha Crooks from Gundagai High School, Matika Simmons and William Chisholm from Junee High School, Matari Johnson and Hannah Beer from Narrandera High School, Connor Hawksworth and Cooper Gersbach from Temora High School, Jethro Fenton and Bridie Forde from The Henry Lawson High School, Eva McCubbin and Alex Jackson from Ungarie Central School, Emmerson Buchegger and Millar Dyason

from Coolamon Central School and Eliza Cowell and Will Helling from Cootamundra High School.

Member for Cootamundra, Steph Cooke, welcomed the students and heard from them about the issues they believe are important to young people in regional NSW.

"These students are already demonstrating the qualities of leadership through their service to their schools and communities, and they should be incredibly proud of representing their regions at NSW Parliament," Ms Cooke said.

"One of the best parts of this program is giving young people the opportunity to see democracy and leadership in action, while also encouraging them to have confidence in their own voices and ideas."

Ms Cooke said this year's cohort demonstrated an outstanding level of enthusiasm and maturity.

"Our regional communities should feel incredibly optimistic about the future because we have such capable and community-minded young people stepping forward as leaders," she said.

"I hope every student who attended feels empowered and proud of the important role they play in their school and local community."

SPECIAL CONDITIONS IN NSW CONTRACTS: WHY THEY MATTER MORE THAN EVER

Special conditions are often overlooked when signing a contract, yet they can have a significant impact on the rights and obligations of the parties involved.

In New South Wales, these customised clauses are commonly added to standard contracts to address specific issues such as finance approval, settlement dates, risk allocation, termination rights, and special performance requirements. Unlike standard terms, special conditions are tailored to the particular transaction and frequently override general contractual provisions. For this reason, they deserve careful consideration before any agreement is signed.

Recent legislative reforms have increased the importance of reviewing special conditions. In November 2023, major changes to Australia's unfair contract terms laws came into effect, introducing substantial penalties for businesses that include unfair terms in standard-form consumer and small business contracts. Previously, unfair terms could simply be declared void by a court. Businesses now face significant financial consequences for proposing or relying on unfair contractual provisions.

A special condition may be considered unfair if it creates a substantial imbalance between the parties, is not reasonably necessary to protect a legitimate business interest, and would cause detriment if enforced. Examples include clauses that allow only one party to terminate the agreement, impose excessive penalties, or permit unilateral changes to key contractual terms.

HARDEN News...

IMAGE: The screening will take place later this month.

SECOND JUST A FARMER SCREENING FOR HARDEN

Following the success of the first screening last year, there will be a second screening of the movie *Just A Farmer* in Harden Murrumburrah.

The free evening includes a community dinner before the screening of the movie, as well as a Q and A panel following on afterwards.

Attending the Q and A panel will be film writer, producer and performer Leila McDougall; John Harper of Mate Helping Mate; Emma Bromham, Suicide Prevention Lead at Murrumbidgee Primary Health Network; and Dr Amila Panangala, known locally as Dr Rawee, from Kruger Medical Centre.

The discussion will explore rural identity, mental health, resilience, suicide prevention, local support pathways and the role of everyday conversations in strengthening rural communities.

The event will be held on Saturday the 20th of June at the Harden Country Club.

Arrival and registration will commence from 5.15pm. The community dinner will take place at 6pm, before the movie commences at 7pm.

Harden Local Health Advisory Committee (LHAC) and Harden Murrumburrah Regional Development Corporation (HRDC) have worked together to deliver

the second screening and create the community event.

Harden LHAC Vice Chair Angla Leitner said the committee wanted people to feel comfortable attending, whether they came with family, friends, neighbours or on their own.

"Our hope is that people feel welcome from the moment they arrive," Ms Leitner said.

"This is about community, connection and making space for conversations that can genuinely help people."

HRDC CEO Melissa Pinney said the organisation was pleased to support the committee's work.

"Harden LHAC has shown real leadership in bringing this important conversation back to the community," Ms Pinney said.

"HRDC is pleased to support the committee through the grant and administration processes, helping ensure the event can be delivered as a welcoming, accessible community screening."

Registration is requested to assist with seating and dietary requirements.

Attendees can register at <https://events.humanitix.com/just-a-farmer-harden-murrumburrah-2026> or by calling Harden Country Club on (02) 6386 2483.

SECOND SILO SOUNDS CONCERT FOR THE YEAR

The second Silo Sounds concert for the year will be held in Murrumburrah at the end of the month.

The concert titled 'Winter Warmth and Warbles' will feature operatic tenor Andrew Goodwin and pianist John Martin.

Born in Sydney, Andrew has appeared with opera companies across Europe, the UK, Asia and Australia, including the Bolshoi Opera, Gran Theatre Liceu Barcelona, Teatro Real Madrid, La Scala Milan, the National Centre for the Performing Arts Beijing, Opera Australia, Pinchgut Opera and Sydney Chamber Opera.

He studied at St. Petersburg Conservatory under the direction of Professor Lev Morozov, graduating with a Bachelor of Music.

His roles for Opera Australia include Fenton (Falstaff), Belmonte (Die Entführung aus dem Serail), Don Ottavio (Don Giovanni), Novice (Billy Budd), Janek (The Makropulos Secret) and Tamino (Die Zauberflöte).

Distinguished pianist, composer, and music director John Martin has worked with stars like Miriam Margolyes, Teddy Tahu Rhodes, Jane Rutter, and Jose Carbo.

His versatility spans solo shows, ensemble performances, and theatrical productions, including tours with notable international and Australian artists.

The concert will take place at the Ross Memorial Church, Murrumburrah at 2pm on Sunday the 28th of June.

Silo Sounds Chair Stewart Bruce said, "The venue is fully air-conditioned so patrons will be comfortably warm despite any wintry conditions."

"The program repertoire includes operatic arias, nineteenth century art songs, music from theatre, some popular numbers and a special fun piano solo with a distinctly Australian theme."

Tickets are available on Humanitix or at the door.

Adults are \$40, concession \$30 and children are free.

Book ahead to help cater for the High Tea that follows the concert.

For enquiries, contact Stewart on 0423 090 912.

SURROUNDING News...

IMAGE: The new bus service makes getting to Frost and Fire easy.

NEW BUS SERVICE FIRED UP FOR FROST AND FIRE

Getting to Forbes' most magical winter event just got even easier.

For the first time, return bus services will operate from neighbouring towns, making it simple for visitors to travel to and from Topsoil Organics 2026 Frost & Fire without the hassle of driving or finding a park.

New bus routes will run from:

- Parkes sponsored by Parkes Shire Council
- Cowra via Gooloogong
- Canowindra via Eugowra

Visitors travelling on these neighbouring town bus services will be dropped directly at the Forbes Ski Dam, making the journey seamless from start to finish.

For locals and those visitors staying in Forbes, a free hop-on, hop-off shuttle service will operate with 10 bus stops around town, running all night to and from the event site.

With no public parking available on site, the expanded bus network offers a safe and convenient way to enjoy the event - leaving more time to soak up the fire pits, food, entertainment and winter magic.

Prams, camp chairs, picnic blankets and winter woollies are all welcome on board.

Forbes Shire Mayor, Phyllis Miller OAM says the new transport options improve access while reducing congestion around the event site.

"With buses running all night and direct

connections from neighbouring towns, getting here and getting home has never been easier. By making travel simple and stress-free, families and friends can focus on the fire pits, food, fun and creating magical winter memories."

"Importantly, fewer cars on site also means safer roads and a safer festival experience for everyone," the Mayor added.

Gates open from 3.30pm, with live music and entertainment kicking off at 4pm until 10pm.

Bus timetables and tickets are available from 123tix.com.

All other event information can be found at www.amazingforbesnsw.com.

It's the ultimate winter party - rug up, fire up and get ready for Frost and Fire 2026!

Come for the night, stay for the weekend!

Festival Friends are encouraged to secure their tickets, book accommodation and lock in transport now. Be sure to arrive early to snap a cosy spot near the bonfires.

Get in touch with the Forbes Visitor Information team on (02) 6852 4155 to help you plan your Frost and Fire weekend.

For more information about Frost and Fire 2026, visit www.amazingforbesnsw.com or follow @amazingforbesnsw for updates.

HILLTOPS REGION SPORT

PLAYING DITCH WEIGHT

The wet and cold weather conditions have kept play to a minimum over the past two weeks.

The conditions on Saturday 6th June were quite good in the morning but warm clothing was the order of the day during the afternoon.

There were twelve players on the green with three closely contested game of pairs being played.

In the game in which Darryle Miller and Geoge Somerville played Albert Carter and Greg Woods the scores were level on five occasions with Darryle and George scoring 1 shot on the final end to win 15–14.

Harold Anderson and Cliff Traynor led for most of their game against Ted Loader and Ivor Watkiss and were in front 16–13 with 2 ends to play.

Harold and Cliff were able to win both ends to win the game 18–13.

The third game saw Richard Temme and Russell Boyd playing Brian McNair and Damien Miller.

The scores were level at 8—all after 11 ends and at 11—all after 15 ends. Richard and Russell did best from that point to win 17–11.

One end in this game saw no shots recorded as there were three bowls all touching the jack when the end was completed – a fairly rare occurrence.

Scheduled play this weekend includes the final of the Men's Club Singles Championship on Saturday afternoon with Russell Boyd playing Peter Watts.

On Sunday there will be a qualifying round of the BPL Cup played at the club with play starting at 10 am.

Both men and women players are reminded that this year's Club Triples Championship is an Open event and that entries close on Saturday 27th June.

The wood raffle conducted over the past few weeks by the women bowlers to raise funds for the annual Cherry Festival Tournaments was drawn at the club on Friday. The winner was Colin Strong.

The bowlers are very appreciative of the support from the members of the Young community for the raffle and the women bowlers are to be commended on their effort.

YOUNG INDOOR BOWLS REPORT

Another great night of indoor bowls with 18 members attending on a very wet night, it was great to be indoors.

Winners were Mark Briggs, Wilma Moors and Barry Johnson with 2 wins and 29 points. Runners up were Andrew Lesiuk, Mary Storm and Sandra Holmes with 2 wins and 23 points.

Indoor Bowls is played at the Young Services Club Monday afternoons 1pm for 1:30 start and Wednesdays 6pm for 6:30 start.

IMAGE: Mark, Wilma and Barry.

New members are welcome, no equipment required. The AGM will be on Wednesday 1st July at 6:30 pm.

The fun day will be held on Sunday 13th September.

For more information call Barry on 0400 987 684.
